Terms and Conditions – Swap free on Gold

Applied products:

This promotion is only for Gold products, 1 lot is recorded as 1 standard lot.

Promotion period:

19.12.2022 00:00 - 28.02.2023 23:59 (MT4 time). During the period of gold trading, including all products starting with XAU, you can enjoy free swap fee.

Applicable area:

Latin America, MENA, Africa, Vietnam & Indonesia

Participants:

Current and new clients

Promotion details:

1. Clients have the full obligation to keep a sufficient margin level within promotion period. Withdrawal or bonus cancellation might result in lower margin for your positions and might cause liquidation due to insufficient margin. Client should carefully consider the risk tolerance level and financial situation prior making any withdrawal request.

2. After your account is verified and funded, you can easily reach out to our client services team and apply for a Swap free account on Gold

3. After MT4 time 28.02.2023 23:59:59, the gold swap fee will be charged. If the customer has a position at the time of deduction, the customer needs to ensure sufficient margin to avoid the risk of liquidation.

4. If the position is held overnight from 28.02.2023 to 01.03.2023, the swap fee will be charged on 01.03.2023

5. Positions must be held for at least 10 minutes

6. During the promotion, any breach of these Terms and Conditions of the promotion such as using the same IP address for trading at the same time, conducting unauthorized, misconduct, fraudulent or other improper usage such as arbitrage, scalping, high-frequency trading, latency arbitrage and malicious hedging with multiple accounts (including but not limited to Vida Markets internal accounts, but also between accounts of different brokers) etc.

7. Vida Markets has the right to decline participation, immediately cancel one's qualification, deduct improper profits and terminate the partnership with clients. Any termination of the

partnership (disqualification of promotions, deduction of improper profits, etc.) caused by improper trading shall be borne by traders themselves. Vida Market has sole discretion to determine the trading methods. In addition, for the protection of client's right and privacy, Vida Markets may not be able to provide relevant proof. Clients participating in this promotion are regarded as fully understanding and accepting of the content herein. Vida Markets reserves the right to take appropriate legal action against participants who violate the terms of this offer with suspicious or illegal trading behaviour, or by sharing content on any media channels that Vida Markets considers to be harmful to our brand.

8. Vida Markets reserves the right to suspend, modify or terminate this promotion.
